SUMMARY

Data-driven Full Stack Developer and Computer Science graduate specializing in the MERN stack. Experienced in designing high-performance RESTful APIs, optimized database schemas, and responsive user interfaces. Passionate about leveraging data-backed insights to build efficient, scalable web applications.

TECHNICAL SKILLS

Languages: JavaScript, Java, SQL, HTML, CSS
Frameworks & Libraries: Node.js, Express.js, Tailwind CSS, React.js, Redux, Bootstrap, Mongoose
Backend & Cloud: SQL, MongoDB, Firebase, REST APIs, JWT Authentication, Docker
Tools & Practices: Git, GitHub, VS Code

PROJECTS

VestaGo – Full-Stack Stays & Dining Reservation Platform 2026
JavaScript, Node.js, Express.js, MongoDB Atlas, JWT, Mapbox, Brevo API | github.com/AaronF2004/VestaGo

- Engineered a full-stack booking and rental architecture using Node.js, Express, and MongoDB Atlas, featuring role-based access control (RBAC) with JWT authentication and bcrypt password encryption.
- Developed a responsive SPA frontend with client-side history state management (pushState/popstate), synchronized dark/light theming, and Mapbox GL JS geospatial property geocoding.
- Implemented executive administration controls, multi-image uploads via Multer, real-time KPI metrics aggregation, and automated transactional booking/cancellation vouchers via the Brevo REST API.

Tomato – Full-Stack Food Ordering & Management Platform 2026
React.js, Node.js, Express.js, MongoDB, Stripe API, Brevo API, Vite | github.com/AaronF2004/Tomato-Food_del

- Built a responsive food delivery web application and admin management dashboard using React.js and Node.js/Express REST APIs, featuring JWT authentication, persistent cart state, and schema-validated MongoDB storage.
- Integrated Stripe Checkout for secure multi-currency payment workflows and automated asynchronous transactional emails via Brevo REST API to deliver instant welcome notifications, itemized order slips, and cancellation receipts.
- Implemented real-time order lifecycle tracking (Kitchen Prep, Out for Delivery, Delivered) and built an administrative dashboard with automated polling and change-detection to synchronize incoming orders without manual refresh.

DevPress – Full-Stack Editorial & Blogging Platform 2026
React.js, Node.js, Express.js, MongoDB, JWT, Cloudinary, REST APIs | github.com/AaronF2004/mern-blog-platform

- Developed a full-stack blogging web application using the MERN stack with JWT authentication and role-based access control (RBAC) for authoring, editing, and administrative moderation.
- Built RESTful APIs integrated with MongoDB Atlas and Cloudinary for CRUD operations, threaded discussions, and atomic view tracking, deploying the decoupled services on Vercel and Render.

EXPERIENCE

Web Development Intern | Vyosim TechLab (On-Site) July 2025 – Oct 2025

- Developed responsive, mobile-friendly web pages and interactive UI features using JavaScript and core DOM manipulation, focusing on cross-browser compatibility and smooth user experiences across devices.
- Assisted in integrating third-party RESTful APIs for dynamic data retrieval, while learning to utilize web analytics dashboards to monitor site traffic and improve page loading performance.
- Collaborated on server-side tasks by applying Node.js fundamentals, following established root-level project structures, and adhering to clean code guidelines for maintainable codebases.

EDUCATION

B.Tech in Computer Science and Engineering | CGPA: 6.45/10 Aug 2023 – May 2026
Metropolitan Institute Of Technology and Management (MITM), Oras, India
Coursework: Data Structures and Algorithms, Object-Oriented Programming, DBMS, Operating Systems, Computer Networks

CBSE Class XII — **68.33%** (2021) | N.A.D.Topiwalla Junior College, Malvan Jun 2021 – Feb 2022
CBSE Class X — **80.80%** (2019) | Rosary English School, Malvan Jun 2019 – Mar 2020

CERTIFICATIONS

- **Web Development Certification** by Vyosim TechLab.
- **Full Stack Development Certification(Frontend/Backend)** by IBM SkillsBuild.
- **Full Stack Development Certification** by Infosys Springboard.
